

Bond Drive Quota Set at \$500,000

Plans for selling \$500,000 worth of war bonds and stamps in Redwood City and Woodside during the Fourth War Loan Drive were under way today with appointment of committee chairmen by J. A. (Jake) Buhler, chairman of the Redwood City War Finance Committee. The Redwood City-Woodside quota of \$500,000 for the campaign which starts Jan. 18 is less than half that for the Third War Loan Drive and Buhler today expressed the hope residents of this area will double the goal established.

Members of a general committee under Buhler met Monday with Thomas F. Kilmartin of San Jose, field representative for San Mateo and Santa Clara Counties and appointed division chairmen for the drive.

Those serving on the general committee are Robert E. O'Connell Jr., T. N. Thompson, James P. Hagen, Carl Ward, Floya McCue and Martin J. Flynn.

Division chairmen appointed are Fred Gibbs, industries; Eugene Hoffman, committees; Edwin Hunt, payroll savings; Donald L. Bogie, publicity; Walter Kellogg, special events; Mrs. Henry Beeger, women's representative; Mrs. Howard E. Williams, Woodside; Andrew Spinas, elementary schools; Lawrence Sanderson, high school; Mrs. Vera Ligouri, secretary-treasurer.

The drive will continue from Jan. 18 to Feb. 15 inclusive and a number of special events are planned for that period.

Although this area failed by a small margin to meet its quota of more than a million dollars in the Third War Loan, Buhler expressed the hope that the Redwood City-Woodside area would be able to run up an impressive total in this campaign.

At a meeting of the Redwood City War Council will meet in the city hall council chambers Thursday, at 2 p.m. to formulate plans for their participation in the forthcoming drive.

Buhler will outline the procedure to be following in this campaign, which will be similar in many respects to that pursued in the last drive when the block matrons canvassed the residential districts.

J. A. (JAKE) BUHLER
Bond Chairman

Officers Seek Negro Holdup Man

San Mateo County sheriff's office today was seeking a tall, lanky Negro about 24 years of age who badly beat and cut a 69-year-old service station operator in North Palo Alto during a holdup attempt Saturday night.

Julius Tobkowitz, 69, 2043 Glen Way, who operates a service station on Bayshore Hwy. near his home, told sheriff's deputies that the Negro walked into the station and claimed his automobile was out of gas two miles "up the road." Tobkowitz filled a gallon jug with gas and the Negro asked if he were going to pay for it and asked Tobkowitz if he could change a \$10 bill.

Tobkowitz told the Negro he did not sell gasoline by the gallon and asked him to leave his gas ration book until he came back. The Negro, he said, whipped out a knife with a six-inch blade from under his coat and exclaimed, "This is a stickup."

Tobkowitz backed up to a corner of the station to a box where he had an old-fashioned six-shooter, a single-action gun. As he was pulling back the hammer on the gun, the Negro rushed him, took the gun away from him and wrestled with him. During the melee Tobkowitz received a cut from the knife on the right side of the neck, on the back of the neck and a cut on his left forearm to the bone. He was hit with the gun over the left eye and back of the right head and shoulder.

The Negro broke loose and ran down Glen Way, taking the gun with him. A neighbor, Mrs. Harry Kull, heard the scuffling and called the sheriff's office. Dep. Sheriff Jack Hoeford took Tobkowitz to Palo Alto Hospital for treatment.

Meantime, the Negro went to San Mateo and flashed the gun at a tavern operator. The operator, perhaps in self defense, bought the gun and two sport coats, which were believed stolen, from him for \$20. He then turned the goods over to the sheriff's office.

Laborer in Jail On Driving Charge

Corwin J. Adams, 24, Negro laborer, today was serving a 10-day jail sentence for reckless driving following his conviction in Judge E. I. McAuliffe's court Tuesday. Adams was arrested early Sunday by the California Highway Patrol and charged with speeding 80 miles per hour on Bayshore Hwy. between Belmont and Redwood City.

Frank Chevalier, the arresting officer, charged Adams and two companions with the crime of stealing the car in which they were riding, but this complaint was dismissed in San Francisco. Adams was returned to Redwood City to face the reckless driving charge. He was given the alternative of paying \$50 or spending 10 days in jail.

Beware Coughs from common colds That Hang On

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION for Coughs, Chest Colds, Bronchitis

P.A. Firm Offers Free Survey

County Executive Frederick Peterson made public an offer of a Palo Alto engineering firm to make, free of charge, a survey for a new sewage disposal district in San Mateo County north of Burlingame to the south city limits of San Francisco.

The offer came from the firm of Thomas, Macabee & Whipple, consulting engineers, after Dist. Atty. Gilbert D. Ferrell had ruled that the county board of supervisors had no authority to enter into a contract with the firm of James & Waters, Burlingame civil engineers, calling for an expenditure of \$10,000 for the survey.

Peterson said that L. Cedric Macabee of the Palo Alto firm had forwarded to him a written agreement stating that this work would be undertaken by that firm with no expense whatsoever to the county.

"Naturally," Peterson said, "they would expect in return that if and when the district in question was formed, their firm would be considered when the contract for the engineering was awarded by the district."

Peterson said that after the opinion had been handed down by the district attorney's office and the matter was turned over to the planning commission, he presumed that the matter was closed as far as expenditure of \$10,000 by the county was concerned.

However, Peterson said he had been informed that Ernest Wilson, San Mateo attorney, had appeared before the board of supervisors at "the request of someone I believe interested in having this expenditure made by the county."

"When notified of this," Peterson said, "I informed Supervisor (Edward) McDonald that I had had an interview with Mr. Macabee of Thomas, Macabee & Whipple, consulting engineers, regarding this project and that he had promised to forward to me a written agreement stating that this work would be undertaken by their firm with no expense whatsoever to the county."

(Wilson, at the supervisors' meeting Jan. 4, presented two written opinions to Asst. Dist. Atty. Daniel E. Sullivan, one of which was regarding the proposed north county sanitary district, but he did not elaborate on the opinions.)

Peterson declared today that it was a letter written by him to the supervisors on Dec. 14 that resulted in the district attorney being asked for an opinion on conducting the proposed survey.

It was definitely decided to hire a new teacher for Central School at a Menlo Park School Board meeting Monday, although the teacher has not yet been selected. The person to be hired will teach an overflow class of 20 seventh graders which has been instructed by Oscar Olson, principal.

Mr. Olson reported that attendance this year was good at both schools.

The board approved construction of a new roof for Central School garage, purchase of a water heater

Casaretto Faces OPA Charges

A warrant was issued in federal court in San Francisco Wednesday for L. Casaretto, owner of the Redwood City Meat Co., 1634 Main St., for alleged violation of OPA regulations.

The allegations, made in information filed by Asst. U. S. Atty. Valentine Hammack, were, according to Associated Press report, that Casaretto was not registered with the OPA as a wholesaler of meat, but instead bought without a wholesaler's license; that he sold without collecting ration points, and sold over the OPA ceiling.

Casaretto was in San Francisco today, and could not be reached for a statement on the charges. Specific charges were that on Sept. 13 he sold to Swift-Italian Sausage Factory, San Francisco, 440 pounds of meat without collecting points; that on Oct. 16 he sold to A. Brignetti, operator of the Nipa Hut, 2550 El Camino Real, Redwood City, 18 pounds of round beef and 57 pounds of other meat, both without points, and that on Aug. 19, he sold beef to Irene James, operator of Wimpy's Home, a restaurant at 2047 Broadway, Redwood City, at a price above the maximum.

Brignetti denied any knowledge of the transaction in which he was the alleged buyer, saying that he had given points for all meat he had purchased from the Redwood City Meat Co.

OPA Warns Gas Dealers Of Ruling

Gasoline dealers and distributors were warned today by the Office of Price Administration that discrimination in gasoline sales is in violation of the mileage rationing regulation.

Dist. OPA Director Francis Carroll said that the OPA had received many complaints from consumers that some dealers were refusing to make sales to the public generally by selling only to preferred customers.

"Any customer with a valid coupon must be served if a dealer is open for business and has the supply on hand," Carroll said. "No dealer or distributor shall discriminate in the transfer of gasoline, among any consumers lawfully entitled to acquire gasoline under the provisions of ration order No. 5C."

Carroll cited the section of the mileage rationing regulation which prohibits discrimination in gasoline sales. It states: "No dealer or distributor shall discriminate in the transfer of gasoline, among any consumers lawfully entitled to acquire gasoline under the provisions of ration order No. 5C."

The dealer has the right to limit the amount of gasoline sold per customer as long as all customers are given the same treatment.

For the Central School Auditorium, and removal of a tree which had blown down at Fremont. Members also approved additional insurance made necessary by increased expenses.

Members are George Angus, president; John W. More, clerk; Louis Anderson, member-at-large; and Mr. Olson, secretary.

'Holiday on Ice' To Be Given In San Jose Starting Jan. 19

ARIANE

One of the season's most pretentious Ice Skating Revues, New York's famous "Holiday on Ice" with an outstanding cast of sixty skating champions and a host of lovely girls will open a five-day engagement on Wednesday, Jan. 19, at the San Jose Ice Bowl with the glamorous Ariane, Georg von Birge, Dorothy McCusker, Marie Purvian, Jack Richardson, four Elvins, Philip and Mildred Crane, Everett Sisters, Eloise Day, and America's beautiful skating girls.

As a representative of Switzerland, the pert 19-year-old, miss, Ariane is definite proof of why the Swiss yodel. She is really a dancer who uses skates as her medium and the grace of her bearing is no doubt inherited from her father who is a lieutenant of the Alpine Ski Troop. Ariane's family name is Le Vaillant meaning "the valiant" and was conferred on her great grandfather by Napoleon.

This glamorous skating champion participated at her first ice carnival at the age of five and won the last international figure skating competition held in Europe before the war. She has only been in the United States a little over a year. Performances of "Holiday on Ice" are scheduled at the San Jose Ice Bowl starting Wednesday, Jan. 19, 8:30 p.m. nightly, and one matinee Sunday at 2:30 p.m.

\$177,989.35 Goes To Revenue Collector

Miss Pansy J. Abbott, county school superintendent, today forwarded a check for \$177,989.35 to the collector of internal revenue. The sum, she explained, represents the 1943 withholding tax on income of certificated and non-certificated personnel in the county department of education.

Carroll said the section of the mileage rationing regulation which prohibits discrimination in gasoline sales. It states: "No dealer or distributor shall discriminate in the transfer of gasoline, among any consumers lawfully entitled to acquire gasoline under the provisions of ration order No. 5C."

The dealer has the right to limit the amount of gasoline sold per customer as long as all customers are given the same treatment.

CIVILIAN DEFENSE: Ryan Praises Auxiliary Service

High praise was meted out to Redwood City auxiliary firemen for their response to wartime needs by Fire Chief Mark Ryan today in summarizing the activities of this service during 1943. Most of these volunteers were employed or in business for themselves, and the time donated was subtracted from their leisure hours.

A total of 99 auxiliary firemen contributed 1331 hours to drill and training, the chief's annual report showed, and 25 drills and incidents were called during the year. The regular fire department force of 26 full-time and call men contributed 730 hours to drill.

"We put these fellows through

the ropes," Chief Ryan said of the auxiliaries. "They actually did all the things regular firemen do. They hauled heavy hose around, climbed ladders, learned the use of apparatus, and went right out on fire with the fire department. We treated them just the way we do our firemen. They had to be prepared to take the places of regular men if necessary. The spirit they showed was excellent."

Ryan also had a good word for the women of the control centers who had almost perfect attendance, and learned to do their work of handling alarms as well as the men, he said.

The need for the auxiliary force will increase rather than diminish, Ryan predicted. Hazards and work are increasing and the force is being depleted by men entering the service.

Andrew Sisson Estate Valued at \$10,888.46

Andrew B. Sisson, 52, for 30 years a railroad man prior to his death Sept. 27, 1942, at his Atherton home, left an estate worth \$10,888.46, according to an appraisal filed in superior court here today. The estate consisted entirely of securities. The appraiser was James A. Lee.

Mr. Sisson was a former station agent at Redwood City and lived here until a year before his death. He left his entire estate to his widow, Ruby Sisson.

Woodside Scouts Collect Scrap Paper

Troop 159, Woodside Boy Scouts, collected three tons of scrap paper during the week end and will continue its drive again next Saturday and Sunday, Fred Ellerman, scoutmaster, announced today.

Anyone having paper to contribute to the drive may do so by telephoning the Woodside Fire Dept., Woodside 221.

Folies Features Dance Sequences

Dazzling dance sequences featuring 30 gorgeously costumed dancers are part of the gay entertainment of the Folies Bergere now playing nightly at Winterland, in San Francisco.

All dances for the brilliant new show were directed by Aida Broadbent, famous danseuse and dance director in direct co-operation with Clifford C. Fischer, producer of the Folies Bergere.

Under Miss Broadbent's direction, the 80 beautiful girls, chosen for their beauty, talent and variety of type, perform rollicking polkas, exquisite ballet, and the daring French Can-Can.

The English born dance director says she has been dancing all her life. She was premiere danseuse and choreographer for six seasons at the Hollywood Bowl where she holds the attendance record for ballet night at the Bowl with her presentation of Ferde Grofe's Grand Canyon Suite in 1937.

Dance sequences for Anna Neagle in RKO pictures were staged by Miss Broadbent, as well as the routines for the moving picture "In Old Oklahoma."

Like many of the Folies' internationally known company, Miss Broadbent toured the Orient in 1936, when she danced in and directed the entire show. She directed all dance numbers for the Canadian Army show which broke all attendance records in Canada and is now enroute overseas.

S.M. Women Hold State Offices

LOS ANGELES (P)—The board of Directors of the California Chapter of Pro America, Republican women's group, has added its endorsement to the proposal that Gov. Warren head the state's delegation to the Republican national convention.

Mrs. Eugene Prince of San Francisco assumed the presidency of the chapter at the board's meeting here yesterday. Mrs. William L. Holloway, San Mateo, is recording secretary.

Directors include: Mrs. Lee Korbel, Petaluma; Mrs. Richard Heiman, San Mateo; and Mrs. Horace Livermore, Marin County.

Meyers Starts Jail Sentence

Paul R. Meyers, 31, San Mateo horse trainer, has started serving a six months' jail sentence in the county jail at Redwood City on the charge that he attempted to rape a 17-year-old Millbrae girl Dec. 13, 1942.

In the 13th months since his arrest Meyers has been free on bail. He was arraigned Dec. 15, 1942. A jury of 11 women and 1 man found him guilty Feb. 18, 1943. Meyers appealed and on Dec. 22 the state district court of appeals upheld his conviction.

He surrendered to Sheriff James J. McGrath today and his \$2500 bond was exonerated.

Uncle Sam wants your appliances to last. Keep them in repair!

Look over all the appliances in your home. Check particularly those appliances you use constantly, like the range, vacuum cleaner, refrigerator, washing machine and iron or ironer. Do any of these need repair or conditioning? Durationize your appliances with constant care and timely repair. That also means careful use to avoid abuse. Blasting your radio at full volume, for example, can shorten its life. Use it, but tune it down. Open your refrigerator door as seldom as possible. Keep your fireplace damper closed when heating equipment is in use. It prevents heat waste up the chimney. Your government wants your present appliances to last for the duration. Their services save you time and money.

RENTING: OPA Warns Landlords They Must Register Accommodations

Landlords failing to register dwelling accommodations within 30 days after renting the quarters will be required to make retroactive refunds to tenants under certain conditions, the Office of Price Administration pointed out today.

San Francisco OPA officials explained that every since the beginning of rent control, landlords have been instructed to register immediately all dwelling accommodations which they rent. Since many failed to register until it was called to their attention, an amendment to the rent regulation now definitely specifies that registration must be made within 30 days after rental.

In any case where the landlord fails to file within the 30 day period and the rent is subsequently reduced by the OPA, the reduction becomes retroactive to the date of the first renting or Oct. 1, 1943, whichever is later. In such instances, it was pointed out, the landlord is required to refund to the tenant the difference between the amount collected for this back period and the rate which is afterwards established by the OPA.

OPA officials explained that most new rentals in this area are of rooms within private homes or other dwelling accommodations which had not previously been rented. In cases where dwellings were not rented as of the freeze date, the first rental is subject to the ap-

proval of OPA and may not exceed rentals of comparable accommodations.

Persons who sublet rooms or apartments also are required to file registrations with the OPA because they become landlords when they lease their quarters.

Atherton Bossy Back in Fold

Bossy has had her fortnight's vacation and has gone home.

Bossy is the large brown and white bovine who was captured by Atherton Police Chief J. E. Farrell approximately two weeks ago as she was merrily chomping victory garden vegetables.

Chief Farrell corralled her at Henry Schimpf's place and there she was content to munch her cud and eye with disdain would-be owners. But, Friday a big Hers dairy truck carried Bossy off to her reward—for as the story developed, Bossy had been one of a large herd being driven to a new field and had wandered away.

Wheat is one of the few staple foods that Brazil does not produce in quantity.

R.C. Woman Injured

Mrs. Carrie Clayton, 3023 Broadway, Redwood City, was confined to her home this week as the result of injuries received when a Greyhound bus in which she was a passenger crashed into a streetcar at Sixteenth St. and Potrero Ave., San Francisco, Saturday evening. Both vehicles were virtually demolished, it was said.

Mrs. Clayton was taken immediately to Mission Emergency Hospital in San Francisco, where three stitches were taken in her lip and one in her chin. She was released after several hours. Both she and her sister, Emma Lou Hawkins, were badly shaken up, but Miss Hawkins suffered no other injuries. They returned here by bus yesterday. Both women are employed at the Hassler Health Home.

Among other injured passengers on the bus, which was San Francisco bound from San Jose, were Kay Vlakas, Palo Alto, and Gertrude Streuning, San Mateo.

M.P. Club Opposes Subsidy Legislation

Declaring that "the only positive way to prevent inflation is to see that ceiling prices are placed on everything from beginning to end and freeze all wages now," the Menlo Park Improvement Club through its president, John A. Sullivan, has written Congressman Jack Anderson requesting him to vote against food subsidies.

The letter points out that "the \$1,000,000,000 to be spent each year as proposed only adds to the tremendous government debt which, if increased, will certainly bring on inflation" and forecasts disproportionate administrative costs and increase in personnel.

"It is too bad," Mr. Sullivan adds, "that the unorganized majority cannot take time to voice their wishes and allow the selfish minority groups to put pressure on our legislators."

South County Prepares For Campaign

First-hand stories from the battle fronts and movies of naval engagements set the mood for the Fourth War Loan drive in the Menlo Park area Sunday.

More than 100 workers are already enlisted to secure the \$700,000 quota in Menlo Park, Atherton, North Palo Alto and East Palo Alto as soon as possible after the opening of the campaign next week.

Additional volunteers will be needed however, Gen. Chm. L. Polk Dodson said today. Anyone willing to help is asked to notify the war savings office in the Menlo Park city hall (Palo Alto 24658). The committee hopes to put a worker in each block.

Dodson presided at the meeting yesterday, held in the auditorium of the Central School. Mayor Charles Oram welcomed the guests. Talks were given by First Lt. J. W. Betzler of the Fourth Fighter Command, who related his experiences in the Solomons. Lt. Comdr. G. D. Anderson and Photographer's Mate Henry Frank Smigelski of Moffett Field gave accounts of active service and showed the two films, "Carrier Fights for Life" and "War on the Seas," both U. S. Navy pictures.

Mrs. Jerome Potter, war savings chairman, presented the campaign committee to buy at least a part of their bonds in their home communities. Sales of Series B, F and C bonds after January 1 will count on this drive.

Each bond purchased for an infant will be accompanied by an engraved certificate of membership in the treasury's cradle roll of honor.

It is estimated that 46 million pairs of silk hose were donated in the national silk stocking salvage drive.

MEN IN SERVICE: John W. Isaac Wins Navy Promotion in New York

John W. Isaac, 19, son of Mr. and Mrs. John R. Isaac of 165 Arch St., has just been promoted to quarter-master 3rd class in the navy. He is at present stationed in New York and expects to leave soon for Europe. He received his training at Farragut, Ida.

Isaac graduated from Sequoia High School in 1942 and also attended San Jose State College prior to enlisting in the navy. He was a member of the sea scouts and mate of the SSS Challenger in Redwood City.

M. P. MATTESON IN SOUTH PACIFIC

M. P. Matteson, machinists mate second class, U. S. Navy Seabees, has just arrived safely at a South Pacific base, according to information received here by his wife, Mrs. Izette Matteson of 1414 El Camino Real.

M. P. MATTESON

Matteson entered the service in August, 1942. He was engaged in the moving business prior to joining navy life.

MRS. RALPH BLOOMQUIST TO JOIN HUSBAND

Mrs. Ralph Bloomquist, Crest Dr., Emerald Lake, left yesterday for a stay of indefinite duration in Richmond, Va. Her husband, a carpenter's mate, 1st class, is stationed at Williamsburg, near Richmond, with the Seabees. He has a five-day leave coming up soon, and the tentative plans of the couple include a visit to New York and other points on the eastern seaboard.

Bloomquist joined the Seabees in July. In civilian life he operated the Bloomquist Tile Co. in Redwood City.

SAMUEL NELSON JR. STUDIES AT STOCKTON

Samuel R. Nelson Jr., son of Mr. and Mrs. Samuel R. Nelson, 439 Birch St., Sequoia High School graduate, is enrolled at the Col-

Officer

Harold Whitmore, son of Mr. and Mrs. A. S. Whitmore of 49 Birch St., who recently received his pilot's wings and a commission as second lieutenant in the army air force. He graduated from an advanced school at Moore Field, Mission, Tex. Whitmore recently married the former Winifred Jean Arrendell at Stanford Memorial Church.

lege of the Pacific, Stockton, where he is taking basic training for the navy. Nelson has served a year in the navy, and was stationed at the Naval Training Center on Treasure Island before going to Stockton.

THREE SERVICE MEN VISIT REDWOOD CITY

Home on leave from Farragut, Ida., are three former Sequoia High School students, Jess Gibbs, 580 Fifth Ave., Redwood City; Norman Monroe, North Fair Oaks, and William Brown, Menlo Park. The trio have completed boot training, and will return to Farragut at the end of their 15-day leave to await assignment for advanced training.

Gans Warns Public Of Botulism Threat

Extensive victory gardening and home canning in San Mateo County have brought with them the threat of botulism poisoning from improperly processed food, Dr. C. C. Gans, county health director, warned today. This food is now being consumed and the danger must be emphasized, he said.

Botulinus antitoxin, said the health department bulletin to physicians, may be obtained at the Lederle Laboratories in San Francisco, the Community Hospital in San Mateo, or at the health department offices in the courthouse, Redwood City.

Antitoxin must be administered within a few hours of first symptoms to be effective.

Largest irrigation canal in the U. S. is the 82-mile All-American from the Colorado River.

Sacramentan Missing

Lt. Francis Stetson, 28, of Sacramento, nephew of Mr. and Mrs. C. A. Stetson of 121 King St., today had been reported missing in action for the second time within a month.

His parents, who live in Sacramento, first received word from the War Department that Stetson was missing on Dec. 17. On Dec. 24 they received a telegram stating that he had been found and was back with his unit. Monday they received the third wire stating again that he was missing.

Stetson is one of five sons of the family in service. All five of them are overseas.

Lieutenant Stetson is a member of the Eighth Air Force and has been overseas for eight months. Although he never lived in Redwood City, he has visited here often.

Peter Macsefield, British aviation expert, says America's P-47 Thunderbolt is the fastest radial-engine airplane ever built.

Soldier Seeks AWOL Canine

You wouldn't think one poached AWOL would be much missed at a dog training center. But the disappearance of Hansi, a German shepherd, from the War Dog Reception and Training Center near San Carlos is a matter of great concern to her owner, Sgt. Patrick Miller.

Hansi is Miller's canine pal, but she is not a K-9. He brought her with him to the training center because she had been his constant companion for the eight years of her life. And now she's gone.

In a letter to Redwood City police appealing for aid in finding his pal, Miller said she disappeared on Christmas Day, while he was having his holiday dinner. It is the first time in all her dog career, he said, that she had ever strayed away.

Miller describes Hansi as gray, with dark eyes, weigh 45 pounds, height 18 inches. She has double claws on both hind legs, an old injury just healing at the base of the left ear, was wearing a round plaid snap-on collar. She is friendly, intelligent and trimly built. Miller may be reached at San Carlos 1958.

A 16-inch coast artillery gun mount costs approximately \$750,000, takes 47 days to make, and requires 13 freight cars to move.

Nearly four times as many troops as were moved in the same time in World War I have been carried by rail in the U. S. in this war.

Police Pick Up 17 Bicycles

Seventeen bicycles have been picked up by Redwood City police since enactment of the new bicycle ordinance, Chief C. L. (Mickey) Collins said this week. The law provides that bicycles not parked in racks provided for the purpose on city sidewalks may be confiscated.

First offenders are dismissed with a warning if their bicycle is licensed. If not, the vehicle is impounded until the license is obtained, the chief said. The law provides for assessing a fine of from 50 cents to \$50 or 10 days in jail on adult offenders, and juvenile violators are to be turned over to the probation authorities.

Two runaways were picked up by police early this morning, and their parents in San Francisco were notified and arranged for their return home. The boys, aged 15 and 16, left San Francisco in the car belonging to the father of one of the runaways.

A 16-inch coast artillery gun mount costs approximately \$750,000, takes 47 days to make, and requires 13 freight cars to move.

Nearly four times as many troops as were moved in the same time in World War I have been carried by rail in the U. S. in this war.

RAVENSWOOD: Teacher Shortage Complicates Prospects for Future

Already faced with the need of an extra teacher to relieve overcrowding at the Ravenswood School, the Ravenswood School Board Monday received the resignations of two other members of the faculty, Mrs. Helen Meyer and Mrs. Dorothy Clark.

The situation was further complicated by prospects that early completion of a housing project in that area would add between 100 and 200 children to the school population before the end of the term.

Community interest in the school situation was indicated, Pres. T. A. Callahan said, by the presence of a number of visitors. Those attending were Mr. and Mrs. Sam Sharp, Mrs. Mildred Jodicka and Mrs. Eugene Babb.

The board discussed the new teacher salary schedule, now partially worked out and ready for consideration with the faculty at a meeting the afternoon of the 19th at the school. The schedule will provide slight increases in pay and a special increment to help the teachers meet living costs during the war.

"By means of the increases," Mr. Callahan said today, "we hope to secure better teachers and keep them longer."

Board members said they understood that 90 three-bedroom houses would be completed within 90 days, 28 of them just off Gilbert St. and 62 east of Bayshore Hwy. They anticipated that this would add 100 and possibly 200 students to the enrollment, which has jumped from 373 in 1940 to 520 at the beginning of the current year.

In addition to the 520 in the main building, there are 45 children in

the North Palo Alto kindergarten, which has a waiting list of between 12 and 15.

Overcrowding of the school and consequent overworking of the staff was one reason given by Mrs. Meyer for resigning. Mr. Callahan said, adding that he believed "if we'd been able to get the extra teacher we've been looking for, we might have been able to keep her."

Clark, he said, was unable to get supplemental gasoline rations because the Redwood City Rationing Board held her work non-essential. The board is studying the possibility of securing additional prefabricated rooms for the school. Callahan reported his inspection of rooms of this type in another school and said he found them far more satisfactory than he had anticipated. "This seems to be the only thing that will be available," he said today but added that the board has an open mind on the subject.

Gift of a slide trombone for use by the school orchestra was reported to the board. The donor was Mrs. E. H. Warne, clerk, and Mal Coombs.

Police Arrest Two On Curfew Charges

Two 17-year-old youths were turned over to juvenile authorities today after they were found by Redwood City police wandering about the streets at 2 o'clock Wednesday morning in violation of the 10 p.m. curfew. One was from San Francisco, the other from Los Gatos.

56 Students To Graduate From Sequoia

Fifty-six students will graduate at the commencement service to be held in the Sequoia auditorium on the evening of Jan. 28. The diplomas will be presented by a member of the school board. A special section will be set off in the auditorium for the June graduates, but everyone is invited to attend. There will be speeches by outside and students speakers, and cultural, seal, administrative, athletics and other awards will be presented to the graduates.

Music will be provided by the Treble Clef and the school orchestra.

Plans for a Sequoia year book to be published next year are now underway, according to Irene Thieme, chairman of the year book committee. It has already been decided that the book will not be subsidized at the expense of any other activity and that copies will be paid for by pre-publication subscriptions. Charles Spharler, chairman of the 1944 year book had just about given up due to war time restrictions and he is unable to find a teacher to supervise such an undertaking.

The Redwood City-Ravenswood

San Carlos Firemen Install Officers

The San Carlos Volunteer Fire Department held its annual installation dinner Tuesday at the fire house. Bruno Gori was installed as president. Others installed included E. C. Berson, vice president; R. B. Fodora, secretary; B. A. Lindberg, treasurer; Carl Koch, sergeant at arms, and W. J. Wheeler, E. K. Burton and Henry F. Wrigley, directors.

recreation center will feature dancing, singing, indoor athletic games and refreshments. Both square and ballroom dancing will take place. Volleyball and badminton games are scheduled, and cards and Chinese checkers will be provided. Anyone who can play a musical instrument is also invited to do so. There will probably be some charge for the refreshments, according to the committee in charge.

Eleven tons of paper were collected during a period of six weeks by students, during the Sequoia Times drive which closed in December.

Smallpox vaccinations will soon be offered to students who would like to have them. Each student's own physician should give them, but because many can not have it done Sequoia is giving them, says Nurse Janette Swindt.

Mrs. Hoover Services

PALO ALTO — Chancellor Ray Lyman Wilbur, a friend of Lou Henry Hoover since her childhood days, will speak at a memorial service for her this afternoon at 4:30 in Stanford Memorial Church.

The service will be as nearly as possible like the one conducted this Fall for Dr. Thomas Andrew Storey, which Mrs. Hoover attended and particularly liked.

Approximately 500 Girl Scouts from Palo Alto, Redwood City, Los Altos, Menlo Park, San Mateo and Burlingame, with their leaders and troop committee members, will attend the service in a body, meeting at the west side of the church at 4:15. A part of the church will be reserved for them.

The Girl Scouts, complying with the request that no flowers be sent, are establishing a national fund in honor of the former President's wife, who was instrumental in starting Girl Scout work in the West. Contributions for this fund may be sent to the Regional Girl Scout office at 535 Ramona St., Palo Alto.

Music for the service will be by the university choir and Elizabeth Pierce Kincaid, violinist. Dr. D. Elton Trueblood, university chaplain, is in charge of the plans.

Divorced Wife Asks Wider Estate Rights

The divorced wife of Charles W. Wider, 66, who died at his Emerald Lake home Jan. 2, today petitioned the superior court here for the right to administer his estate. The petitioner was Mrs. Edythe Wider of Los Angeles, who married Mr. Wider Nov. 6, 1939, and filed suit for divorce in 1942. An interlocutory decree was entered in October.

On Jan. 5 Fred E. Wider, 41, San Francisco, one of five adult children of the deceased, filed a petition for letters of administration. Mrs. Wider contested his right to letters and asserted that she has prior claim.

Mr. Wider's first wife, Josephine, also divorced, was the mother of Fred Wider, Mrs. Florence DeBenedetti, 38; William J. Wider, 36; Leslie E. Wider, 29, and Olive B. Wider, 27, all of San Francisco.

The estate includes a \$2000 Redwood City bank account and Redwood City real estate of undetermined value.

Negro slaves brought to the Americas from Africa probably numbered between 12 and 20 million.

The slave trade began in 1503 when Portuguese landed the first shipment of Negroes at Santo Domingo.

Death Takes John Cerqui

John Cerqui, 78, a resident of Redwood City since 1887, died at Palo Alto Hospital Monday afternoon after an illness of several months. He had been in the hospital for five days.

Mr. Cerqui came to the United States from Italy, his native land, in 1885 and two years later came to Redwood City. From 1887 until 1909 he was employed at Frank's Tannery; from 1909 until 1917 he was a farmer, and for the next 26 years was janitor at Washington School. He retired a year ago, but had been in good health until a few months ago.

In 1896 he married Eda Rose Botto, who survives him. He had lived for the past 35 years at 508 Woodside Rd.

Besides his wife, he leaves a son, Eugene Cerqui, San Mateo County deputy sheriff, and two grandchildren, Donald E. and Dorothy J. Cerqui.

Funeral services will be conducted Thursday at 9 a.m. from Franklin & Crowe Mortuary, thence to Our Lady of Mt. Carmel Church. Entombment will be in the family vault, Italian Cemetery, Colma. Rosary will be recited tomorrow at 8 p.m. at the mortuary chapel. Friends may call after 8 o'clock tonight.

Title Company Sued for Damages

California Pacific Title Insurance Co. of Redwood City today was named defendant in a damage suit for \$10,895.37 by Helen Marie Boone, who claimed she received numerous injuries Aug. 4, 1943, when she fell on the stairs in a building at 1425 Broadway, Burlingame, owned by the Redwood City firm.

The plaintiff claimed a metal strip across the top step of the stairs caused her to trip. She asks \$10,000 general damages and \$895.37 special damages.

New Addresses

New addresses revealed by the records of the Redwood City Water Department include H. Laurence, 307 Beach St.; T. B. Primes, 2503 Oak Knoll Dr.; Mrs. Kathryn Wilkin, 515 King St.; Keith Smith, 1902 El Camino Real; B. W. Hirsch, 458 Park St.; and A. Pendlebury, 466 Park St., all in Redwood City, and Eugene J. Raymond, 642 Park Rd., Emerald Lake.

Mrs. Creason Buys Redwood City Home

Sale of the Leach home at Clinton and Hopkins St. to Mrs. Leona Creason, widow of Sol Koff, Peninsula real estate operator, was

disclosed today in a deed recorded by County Recorder T. Clark Rice. The sale price indicated by stamps affixed to the deed was \$15,500. The home was sold by Mrs. Jetta Leach, widow of Charles O. Leach, onetime Main St. furniture dealer. Mrs. Leach has left Redwood City after living here for nearly 20 years to live in Berkeley.

More Nurses Resign At Hospital

Personnel problems at Community Hospital, San Mateo, mounted today as four more nurses turned in their resignations and non-professional help petitioned for recognition of their demands for higher pay.

Dr. C. C. Gans, county health director, disclosed the extent of the situation at the institution when he announced that the six nurse resignations reported this week would bring to nine the total vacancies in the nursing staff. In addition four regular nurses are on the sick list, five nurses' aides are sick, one orderly is ill, and the post of X-ray technician remains unfilled. Two doctors this week served notice they do not wish to continue serving at the hospital unless the X-ray position is filled.

While two nurses quit assertedly because they disliked the type of food at the hospital, the four resignations presented today made no reference to menus.

The resigning nurses: Mary E. Moon, practical nurse employed since Jan. 6, quitting because of ill health.

Kathleen Moughton, registered nurse employed since Jan. 8, moving to San Francisco.

Elizabeth T. Williams, registered nurse employed since Nov. 14, moving to San Pedro.

Maye Morton, general duty nurse employed since Jan. 5, resigning because of ill health.

The resignations were presented to Dr. H. W. S. Hayes, hospital superintendent, and forwarded to Dr. Gans this morning. They became effective Jan. 21.

Dr. Gans pointed out that the new resignations have no connection with the food controversy renewed by resignation of two nurses effective Feb. 1.

The turnover in the health department, with 200 employees including 50 nurses, averages three a day, Dr. Gans pointed out. In the last 30 days the Community Hospital lost 147 nursing days on account of illness, the absences averaging five nurses per day.

Canyon Sanatorium near Redwood City has fared better and now has one nurse ill and three nursing vacancies.

"The situation at the hospital will not in any way jeopardize its function in any way," Dr. Gans asserted. "The turnover is due greatly to ill health. In an emergency we could call on the state health department for help."

From other sources it was learned that the porters and other non-professional employees at Community Hospital are also having difficulties.

Money spent for War Bonds goes to the front. Sometimes it provides spectacular equipment like planes, oft times it buys a runty donkey like this American soldier is taking ashore in Italy. The quicker your dollars go into action, the sooner it will be over. Buy More War Bonds.

2636 BROADWAY

COMMUTERS: Joe Caboose Comes Back With Assertion It Was Only the Flu

BY JOE CABOOSE
Locomotive Bill (McKeegan) did a swell job last week in carrying on the traditions of triviality of this column. But he embarrassed your Uncle Joe with his reference to "flu" and cocktails in the same sentence. Even your best friends won't tell you what they think of a guy who can't get out of bed the morning after New Year's Eve.

What hurt most was the seed of doubt Bill's article planted in the mind of our trusting little war department. Four days in bed, however, restored our reputation. She knows a hangover doesn't last that long.

And let that be a lesson to you, McKeegan. Just because a fellow goes to bed wearing a paper hat and blowing a horn it doesn't prove he's thataway. This attack of flu embarrassed us on another front, also. A few nights previously we had

Lake Group Studies Police Plan

Temporary relief in the police situation in the Emerald Lake area will be worked out as a result of the Monday evening meeting of the Highlands Improvement Assn. A special committee of Charles Elton, William Kletty and Joseph Hyman has been appointed to work out a plan for immediate action. The committee presented a comprehensive report and was empowered to carry it to conclusion.

The meeting, which was held at the home of Charles Elton on Summit Dr. completed the organization of committees appointed by Pres. E. Hoffman Price for the year 1944.

Richard tum Suden and Stuart Copps, appointed in 1943, reported that a request made to Harrison Call of the state legislature for the introduction of a bill to permit additional compensation to police officers in unincorporated areas has remained unanswered. No permanent solution to the present unsatisfactory police patrol situation in the Emerald Lake district can be expected for two years as a result, they reported.

Real conditions were reported by Chmn. A. J. Bullerbeck to be generally very good.

Apartment House Sold to Fontana

An apartment house with six apartments at 154 Birch St. has been sold by Mr. and Mrs. Vincent Guida to Mr. and Mrs. Filipo Fontana for \$21,000, it was revealed today with the recording to a deed with County Recorder T. C. Rice.

Mr. and Mrs. George Kammerer purchased a Hillsborough residence from Bank of America for \$19,500, stamps on a deed recorded today show.

Both deeds were recorded at request of California Pacific Title & Trust Co.

ity have circulated a petition asking consideration for pay increases. It was asserted that these employees compared their salaries with those paid for the same work in San Francisco and found the San Mateo County scale sub-standard.

Dr. Gans denied that the petition had reached his desk. It supports his contention, voiced last month, that the civil service commission fixed sub-standard salaries for his entire department.

Meanwhile County Executive Frederick Peterson announced that Dr. N. D. Morrison, chairman of the county board of health, is arranging a date for a special meeting at which time the entire situation at the hospital will be aired.

The porters' petition reached Dr. Gans this afternoon. It was signed by 37 employees and read:

"We, among the low brackets of salary at the Community Hospital because of a general and continuing rise in cost of living and trying to meet these costs, ask for a legitimate increase in salary. We present this request for your consideration in the immediate future."

Dr. Gans said he would forward the petition to the civil service commission.

Most WAC companies are "100 per centers," every member of the company is putting 10 per cent or more into war bonds.

been bragging to George Deleau and his wife about the efficacy of oral anti-cold tablets we had been taking. Wham! That noise you heard was the rest of those pills going down the sink.

The following Commuters' committee has been appointed to work with Jake Buhler, general chairman, in Redwood City's fourth war

There will be a lot of friendly competition in the forthcoming war

bond drive, which starts Jan. 18, and naturally the Commuters want to be in there pitching. So please, all you loyal commuters, remember your home community, and buy all the bonds you can HERE IN REDWOOD CITY! And buy, if possible, through Brizez and his committee, so the club will get credit. If you control a San Francisco business or their bond purchases, see that at least half of them are credited to Redwood City. We must put this thing over!

We made a lot of new friends while we were laid up... Big Sister, John Wayne, Dr. Carvel, Helen Trent Gil... and a lot of other swell guys and gals! We used to

Understand Frank Brady has a broken arm... that John Nordstrand is ill... that the "Colonel's

pooh-poo these radio soap operas, and swore we'd never listen to them. But the wife and daughters had the radio booming right outside our bedroom door and we couldn't help listening. Sure hope Gil and Helen can get married when Gil gets back from Indiana.

The Monday luncheons are picking up in attendance since transferring the locale to St. Julien's on Battery St. Good food, excellent service! More Commuters should get in the habit of joining the gang at these weekly luncheons.

Wasn't it awful, that grade cross-

ing accident near Kingman, Ariz.? Snuffing out the lives of 28 young air cadets? These death-trap grade crossings—like war itself—are one of the anachronisms of our present-day civilization. To continue to tolerate them is a crime against society. For a small fraction of what this war is costing America every grade crossing in the United States could be separated. We'll have more to say on this, as it pertains to our own Peninsula, at a later date... In the meantime, let's all be thinking about the Fourth War Loan Drive and how we can help Jake Buhler and his committee put Redwood City over the top!

How to Make a Better Cup of Coffee

EXPERIENCED brewers of really good coffee know there are only a few rules that must be followed:

- 1 They keep their coffee-making equipment CLEAN—washing it daily with soap and hot water, and rinsing it thoroughly.
- 2 They use coffee of the right grind and they use ENOUGH of it—at least a generous tablespoonful for each cup.
- 3 They brew their coffee by the CLOCK, timing it exactly to get results they know from experience will be most satisfactory.
- 4 They buy coffee which is GOOD and FRESH—choosing quality because they know a pound will average about 40 cupsful, demanding freshness because stalesness is coffee's greatest enemy.

If the coffee you make "leaves something to be desired", try those four simple rules!

Ladeez AND Gentlemen! Come RIGHT in and see our GREAT exhibit of fine-flavored COFFEES! People buy 'em so fast we have to get NEW supplies constantly, and so every package is BOUND to be extra-fresh! You pays your money and you takes your CHOICE of favorite brands! Get the coffee, HERE at Safeway, that will make that SECOND cup taste even better than the first! No RATION points needed these days. NOW you can buy all you WANT! Come right in and buy, TODAY!
